MODERATOR'S REPORT:

The Reverend Little presented the proposed structure for mission teams to replace the current committee structure. A handout, **attached hereto**, was provided to view as The Reverend Little explained the plan. It was made clear that this is an overall plan and that details will be worked out over time. It is possible that changes to the structure may be made as the plan is put in place and necessary changes become obvious. The plan was very well received by the Session.

There was discussion on various topics after which there was a motion to:

1. Authorize the plan and structure with the understanding that details will be worked out over time; and
2. Authorize Reverend Little to select the first three members of the Leadership Development Team (class of 2015, 2016 and 2017).

There was a second and the motion passed.

The Reverend Little reported that he spoke with Jim Sheppard who is the consultant previously hired for the anticipated capital campaign. A donor paid the full amount of the consultant fees. Jim Sheppard confirmed that the \$75,000 payment was not just for work already done, but for the cost of consulting on the entire campaign.

The Reverend Little discussed the ECO Discipleship pilot program, which was discussed in prior Session meetings. Grace has been invited by ECO to participate in the pilot program with 3 to 5 individuals including Trey Little, Chris French and Francisco Garibay. There was a motion to submit the application to participate as described, a second and the motion carried.
