VERSE 1

Even the mountains
Are reaching toward the heavens
The skies are showing off their hues
Like only You can do
And the mountains and the heavens
and the skies
Sing Your praise

And the trees and the wind
Are mingling together
To tell the leaves and the breeze
It's time to dance
In praise again
And the trees and the wind and the breeze
Dance in praise
To lift Your name

CHORUS

All creation is born to sing Your praise
All creation is singing out
Singing out Your name
These things that You have made
We will sing for all our days
We will sing for all our days

VERSE 2

Every day the sun
Is painting all its colors
On the clouds
As nature wakes to sing
Its glorious harmony

We wanna join in grateful chorus
To sing
Sing Your praise
Lift Your name

CHORUS (REPEAT)

BRIDGE

As all creation starts each day
And sings of all Your glory
Then each holy given morning
We will join with all and sing
Each day that You have made
Will shout in praise in testament to Your name

Vocals: GPCH Worship (featuring Ivy Castle)

BGVs: Daniel Baudin and Jason Hoard

VERSE 1

Not enough, feeling rough
I know You're asking me for more
Feeling
Lost in the trees, can't see
Exactly what You made me for
I wanna love, love the world
Love the people You were sent here for
Can't see the reason
My hands and my feet
Are how they'll know they're made for more

CHORUS

Like a beacon in the night
We wanna spread God's love light
You're guiding us to burn it bright
God, help us to shine
Through the darkness
Through it all

Through the night

We hear Your call
Your light, Your light
Like a beacon
Make us bright

VERSE 2

In all the ways
We live in praise
As a sign to the world
A town on a hill cannot hide
In the same way, we'll let our light shine
Like a light that glows and shows
God, make Your people holy
Our Father
In heaven
May our good deeds give You glory

CHORUS

BRIDGE

God made my hands and feet
He won't make me incomplete
We're made for more
For living for
His purpose
If we walk in the light
As He walks by our side
We'll shine
Like stars in the sky

CHORUS

Your faithfulness, Your goodness

You're always gonna be
My Perfect Friend and Holy God
And faithful to me

PRE-CHORUS

The One True King

CHORUS

We'll praise as we sing of Your faithfulness
Right here, as we live
In the evidence
In Your love, in Your grace
In the faith that
We'll live in Your faithfulness

We're standing amazed by Your faithfulness
And one day, we will praise
As we all confess
Of Your love, of Your grace
In the faith that
We'll live in Your faithfulness
Of Your love, of Your grace
In the faith that
We'll live in Your faithfulness

TAKE HEART

Music: Daniel Baudin, Ivy Castle, and Luke Hutchens

Lyrics: Daniel Baudin and Ivy Castle

Vocals: GPCH Worship (featuring Daniel Baudin and Ivy Castle)

VERSE 1

Can't sleep, can't eat
Head's a mess, I confess
Living in this stress
And all this cloudiness
And anxiousness

Tongue-tied, open-eyed
Twisted up, I'm sick inside
Not sure there's
Someone left I can confide
Can confide

Heart beat, racing feet
Freezin' up
But You tell me, "Take heart
Everything is temporary"

Help me so I can see
When I feel like I'm drowning
What I feel
What I think
Are momentary

CHORUS

Lord, my Rock and
My Redeemer
In You I take heart forever
Take my heart and
Stir my spirit
Lord, my life is more than feeling

VERSE 2

I know I'm not alone
I know You're with me
So when the pressure comes
And pulls me down

Lord, please encourage me
Hear the words
You say to me, "Fear not"
Remembering You're with me now

CHORUS

Father, fill me with faith
Help me to know that it's all worth the wait
'Cause there'll come a day
When You'll wash away
This pain in my soul
These tears on my face

Lord, stay close to me
Help me know that there's no thing like Your
peace
So until things are how they're supposed to be
Help me lay all of my fears at Your feet,
singin'

CHORUS

I KNOW YOU'LL ALWAYS LOVE ME

Music: Daniel Baudin and Jason Hoard

Lyrics: Daniel Baudin and Ivy Castle

Vocals: GPCH Worship (featuring Daniel Baudin)

BGVs: Ivy Castle

VERSE 1

I've fallen short
I've tried to earn
Your love for me
I've made mistakes
And I've thrown Your grace away
Still You washed my feet

PRE-CHORUS

You had everything
But gave it all for me

CHORUS

In the sun and the snow

Through the highs and the lows
Through the mountains or the valleys
It doesn't matter where I go
Or where I'm gonna be
While I'm in this world of unknowns
I know You'll always love me

VERSE 2

We were lost
We nailed You to the cross
But You set us free

PRE-CHORUS

CHORUS

BRIDGE

Your love it
It took the
The stains of all my sin and
Your love it
It broke the
The chains that held me in and

Your love it
Remade me
It changed me from within and
Your love it
It called me
Called me to love

You see me

As I go, I shout
And cry, "Is no one there to hear me?"
You hear me

God, You hear me
God, You know my name
So I will learn
And I will trust
To believe the things You say
No matter how they see me

Now I know that I am seen
All because You see me
You see me

All my shouts and cries are heard
All because You hear me
You hear me
